

Our Ethos - 'Success for All'

We aim to maximise the full learning potential of each child and to nurture their spiritual, moral, social and cultural development.

We want our children to be happy, healthy and successful, to enjoy learning together and to understand the meaning and importance of upholding principles and values.

We will:

- Create a happy, safe and caring environment
- Value each child for his or her individual talents
- Help our children to learn about courtesy, good manners and consideration for others
- Promote positive relationships between pupils and adults
- Encourage children to wear their uniform with pride
- Prepare our pupils for the responsibilities and experiences of life Britain and the wider world
